

Sirona care & health
Adult Learning Disability
Health Service -
Advice Line

0300 124 5888

Call us between 9-4pm Monday-Friday to discuss:

- General advice and support for someone with a Learning Disability.
- Specific case discussion to support individuals health and wellbeing.
- Information on our current referral criteria.
- Sign posting to other relevant services.
- Resources to support people to be independent in managing their health, including accessible information.
