

12 Month Challenge

In 12 months you should be healthier, fitter and slimmer.

Each month has a new topic.

Learn about the topic.

Fill in this workbook.

Being a good weight is healthy.
Having the right waist size is healthy.

If you are overweight losing even a small amount can make a big difference.

Some people are more than just overweight

Being Obese means you weigh far too much for your height

An obese person has:

- ♦ a lot of body fat.
- ♦ a big waist.
- ♦ More health problems like diabetes, heart disease, breathing and sleeping problems
- ♦ Problems walking and getting around

This workbook is to help you think about how to be more healthy

Keep a check on your weight and waist.
